HP No. 83 UV Ink Cartridges and Printheads

Designed for professional print service providers (bureaus, photo labs, repro houses, sign shops, screen printers and more), quick printers, copy shops and in-house graphic professionals (agencies, design studios and corporate design departments).

Get fast, no-compromise UV-resistant inkjet printing with one-inch-wide HP No. 83 UV Printheads – featuring HP Jetexpress Technology – and HP No. 83 UV Ink Cartridges for unrivalled print speeds.

HP No. 83 UV Ink Supplies, HP Designjet 5000/5500 Printers and HP Printing Materials are engineered and tested together to ensure uncompromising print quality, performance and reliability – for images that are always sharp and bright.

Create durable, lightning-fast indoor and outdoor prints that last using the pigment-based HP No. 83 UV Six-Colour Ink System.

"Smart Features" embedded in each of the ink cartridges and printheads monitor ink usage, track printhead wear and alert you when it's time to replace your supplies.

HP No. 83 UV Value Packs

Designed for professional print service providers (bureaus, photo labs, repro houses, sign shops, screen printers and more), quick printers, copy shops and in-house graphic professionals (agencies, design studios and corporate design departments).

HP No. 83 UV Value Packs contain a HP No. 83 UV Ink Cartridge, a HP No. 83 UV Printhead and a HP Printhead Cleaner – delivering a complete modular ink system for fast, automatic UV-resistant printing.

All HP No. 83 Ink Supplies are precisely engineered and tested to work with HP Designjet 5000/5500 Printers and compatible HP Printing Materials, ensuring the professional-quality results you would expect every time.

The value pack bundle offers these system components at an attractive price that is lower than purchasing them all separately.

All the components are available in one convenient package and you can ensure that all your images stay clear and sharp.

HP No. 83 UV 3-Ink Cartridge Multipacks

Ideal for professional print service providers, copy shops, graphics professionals and more working with HP Designjet 5000/5500 UV Inkjet Printing Systems and seeking high-volume, large format supplies for applications such as retail.

Consisting of 3 same-colour ink cartridges, multipacks enhance productivity and cut costs compared to buying individual cartridges. Order more inks at one time, at a lower cost, and build up your stock of supplies without stretching your budget.

These multipacks are perfect fit for display graphic applications, for which HP offers an impressive supporting media product portfolio.

Supplies are engineered, designed and tested together with HP Designjet Printers, ensuring uncompromising image quality, performance and print speed.
